NEED SUNSHINE FOR HORSE SHOW

That is the Only Element of
Success Now Doubtful.

Just a Few Rays Tomorrow Will Put
the Ring in Most Excellent
Condition.

SOME HIGH CLASS ENTRIES.

Hark! Hark!
It still rains,—is dark,
But, the horses are coming to town.

Defying, and as if in a spirit of
contempt for the ungracious ele-
ments, the Horse Show association
is putting the finishing touches to
the details of the horse show with
every expectation that, from some
where, a few rays of sunshine may
come tomorrow, and last the balance
of the week, and thus assure the one
thing that is lacking now to make
the show a great success in every
particular,—favorable weather.

Today, horsemen are coming in
with their strings, and engaging
quarters at the fair grounds, where
all horses will be located. E. H.
Haley, of Murray, who was so suc-
cessful last year, brought in a bunch
of seventeen horses this morning and
from the comments of the wise ones,
he will again carry off some of the
best premiums.

In the string are Barfield, a surrey
horse, "Mattie," combination horse;
"Gold Dust," saddle horse; "Bird,"
a light harness entry; "Maud H.," a
pacing roadster, and several other
entries.

R. J. Farley, W. M. Mason and S.
B. Hays, of Murray, also send in some
promising looking entries.

Boswell & Hayes, of Mayfield,
have some candidates that look well,
chief of which is Dr. Knox, who has
taken the first prizes in every event
in which he has been entered the past
two seasons. "Chester Dare" and
several other top notches are among
them.

Barham & Son, of Milan, shipped
a string this morning which will be in
tomorrow.

The rains of this week are dis-
couraging to the promoters, but they
say that if the sun will shine tomor-
row for only a few hours the grounds
will be in excellent condition. They
are rolling and drain quickly, and
with the work the association is doing
today and will do tomorrow, tomor-
row night they will be in fine
shape.

Arrangements for the conveni-
ences of the patrons are being made
today and by tomorrow everything
will have been arranged.

There already are a number of vis-
itors in the city, and tomorrow will
see a big influx of them.

The seating arrangements in the
grand stand will be ample to take
care of the patrons, and the associa-
tion has a few more boxes for sale.

The women of Grace Episcopal
church have the refreshment con-
cessions at the horse show, and are
arranging to serve hot coffee, choco-
late and substantial as well as ices,
if desired, in the most attractive
manner. Twenty charming girls of
the younger society set will wait on
the patrons during the evening.

Will Blow Up Coach.
Kingfisher, Okla., Oct. 2.—The
smoking car of the Rock Island pas-
senger train, which plunged into
Climmaron river near Dover, Septem-
ber 18, will be blown up with dynamite.
The bodies of several persons
are believed to be in the coach, the
interior of which is inaccessible on
account of the water.

Want Army Horses.
St. Louis, Oct. 2.—A rush order
for 1,600 horses for service in Cuba
was received at the National stock
yards today from the quartermas-
ter's department.

Andrew P. Humburg to William
Englert, property in the Harahan
addition, \$300.

streets, \$1 and other consideration.

G. W. Lee and others to S. E.
Allen, property in the county, \$1,200.

CIRCUS QUARTERS

Burned With Animals—Work of Re-
venge.

Geneva, O., Oct. 2.—Walter Main's
circus quarters were burned to the
ground this morning. An unknown
man lost his life. The fire was in-
cendiary. Yesterday there was trouble
among the men, some claiming
they had not been paid. All the show
animals, excepting a bear and four
elephants and three horses were cre-
mated.

MANY DESERTIONS FROM RUSSIAN NAVY

Three Ships of The Black Sea
Fleet Without Men.

Report Made by Officer Who Deserted
and Escaped to Calatz—Cruelty
Practiced.

PEASANTS SHOOT PEASANTS.

Bucarest, Rouma, Oct. 2.—Whole-
sale desertions from the Russian
Black sea fleet are reported by an
officer of the Russian navy, himself
a deserter, who arrived at Calatz.
According to the officer so many sail-
ors have deserted that three war-
ships were left practically without
men for weeks.

Awful Brutality of Cossacks.

Kherson, Russia, Oct. 2.—Nine-
ty-seven peasants were tried here to-
day on a charge of having devastat-
ed the estate of M. Krivesheim, for-
merly minister of railroads. Sixty-
three were sentenced to imprison-
ment and 24 acquitted.

The trial brought out a recital of
the horrible atrocities committed by
the authorities upon the accused
peasants. The chief of the district,
accompanied by a detachment of
Cossacks reached the estate soon after
the devastation and all peasants
there were at once gathered in. No
investigation was made. The chief
invited priests to administer the last
sacrament of the church to the pris-
oners and then ordered the Cossacks
to beat them all to death.

The butchery continued for four
hours, and 23 peasants were killed
and 135 mutilated. The Cossacks,
then thoroughly tired out, com-
pelled the peasants to continue flogging
one another, and men had to beat
their own brothers, sons and fathers.
The victims thus slaughtered were
innocent and those really guilty es-
caped by night.

SLOWLY

REGISTRATION IS PROGRESSING
IN ALL PRECINCTS.

Estimated That About One-Third of
the Vote is Represented—
Rush Tonight.

From indications the registration
will be light today, but nothing can
definitely be told until after the
polls close at 9 o'clock.

This afternoon at press time an
average of one-third had registered.
At the north side of the court house
40 out of 125 had registered. At
the south side, No. 2, 49 out of 75
had registered, and at the south side
of the court house, No. 1, only 25
out of 140. Other precincts report
about the same.

This morning many officers were
not on hand and at several pre-
cincts voters could not register.
This kept laboring men from regis-
tering and after supper it is expected
a rush will come on.

It is the daily average circula-
tion of a newspaper that the
shrewd advertiser investigates—
"High Water" days don't count.
The Sun's daily average last
month was 3940.

HEART BREAKER

WAS THIS TOO ARDENT CLERK
OF BIG DEMOCRATS.

Woodson's, Parker's and Taggart's
Man Arrested for Marrying Too
Much.

New York, Oct. 2.—Eugene C.
Bagwell, wanted in Kansas to answer
a charge of bigamy, who, under the
alias of John J. Brown, is said to
have tampered with the affections of
about a hundred young and innocent
women hereabouts while he served
as confidential secretary of ex-Judge
Alton B. Parker, is recovering from
the injuries he received by leaping
headforemost from a Broadway car
in a desperate effort to escape his
captors, and will begin to fight extra-
dition tomorrow. Armed with the
indictment the sheriff of Oswego,
Kas., has started for this city to get
the prisoner.

The rapidity with which Bagwell,
under the cognomen of Brown, could
woo and win the gentler sex, as in-
dicated by his great collection of love
letters, was something remarkable.
A glance, a brief chat and a love mis-
sive was all that Brown seemed to
need to capture a heart.

He first obtained a clerical position
in the Westinghouse company's office
and later held positions with Tom
Taggart, Urey Woodson and Judge
Parker.

COTTON MANUFACTURERS

toms guard at Nuevo Laredo, Mexico,
received orders to provide them-
selves with horses for mounted serv-
ice at once. Five hundred soldiers
are being sent there. It is reported

cinity. Eighty are armed.

fully 30 applicants for the former
position. There are three applicants
for the latter position, Magistrates
Charles Emery and J. H. Burnett
and R. J. Barber, the present incum-
bent.

The sheriff will report tomorrow
and until he does the treasurer and
commissioner of the funds will be
unable to report.

Court Notes.

Mariah F. Hart waived right to
qualify as administratrix of the es-
tate of the late George O. Hart, and
on motion of heirs, George B. Hart
was made administrator.

Three More Liens.

Three more mechanics' liens were
filed in county court yesterday after-
noon late by creditors of the Reh-
kopf Saddlery company. They are
Rex Imperial Leather company,
\$518; Woelfel Leather company,
\$85; Recorrey Stirrup company,
\$10.55.

In Bankruptcy.

Today in the bankruptcy court W.
M. Gold in the case of W. M. Ander-
son, both of Marshall county, filed a
petition to enforce a lien on the
homestead for a debt of \$1,000. Ref-
eree Bagby issued an order for An-
derson to appear and show cause why
he should not pay the claim.

FIVE DOLLARS

FINE AGAINST SENATOR CAMP-
BELL FOR CONTEMPT.

Said the Court and Prosecutor Were
There to Defend the Ice
Trust.

It cost Senator Wheeler Campbell
\$5 for making a charge against the
court and prosecutor while defend-
ing Ed Vasseur and Herman Wil-
liams, accused of knowingly receiv-
ing and disposing of ice tickets
stolen from the H. A. Petter ice
company.

He tried to show that the boys
secured the tickets to benefit the
public by selling them at a rate
lower than H. A. Petter, the owner,
did. The court broke in on some of
his argument and the attorney re-
plied that he understood the prose-
cuting attorney and court were there
to protect the ice trust.

"Five dollars fine for contempt of
court" Judge Puryear promptly an-
nounced, and leaned back in his
chair to hear the remainder of the
argument.

Mrs. Maggie Nunnemacher, of
South Fifth street, has returned
home from a three-months' visit to
her mother in Rutherford, Tenn.

AMERICAN WINS

BEATS THE FRENCHMEN FLYING
THROUGH AIR.

Next Trip May Be Made in America.
Say Parisians, Who Wonder at
the Showing.

Paris, Oct. 2.—United States here-
after is a quantity to be reckoned
with in aeronautics. This is the ver-
dict following the victory of Lieuten-
ant Lahm in the balloon race for the
Gordon Bennett cup. There is talk,
owing to Lahm's great showing, that
the next balloon race should be held
in America.

BANDITS

RECRUITED FROM RANKS OF
CUBAN INSURGENTS.

Crucial Period in Occupation of Cuba
Has Been Reached by United
States.

Havana, Oct. 2.—Now is the cru-
cial period in the American occupa-
tion of Cuba. In the next few days
it will be determined whether the
United States will be able to occupy
the island peacefully or engage in
guerrilla warfare with hundreds of
former insurgents now turned bandits.
Indications are that many rebels,
asked to lay down their arms, will
take to the woods and mountains and
support themselves by highway rob-
bery. Knowing this Governor Taft
has proceeded cautiously in his
moves being made about disarmament
of rebels and disbanding of insur-
gent armies. Delay no longer is pos-
sible. The insurgents must be dis-
banded and sent home, before pro-
gress is made in re-establishing Cu-
ban stability.

Dermid, of the British steamship

MORMON LEADER HAS FIVE
WIVES LIVING.

Waived Preliminary Examination and
Was Recognized After Being
Held Over.

Salt Lake City, Utah, Oct. 2.—Jos-
eph F. Smith, president of the Mor-
mon church, was arrested and bound
over to the district court today, on
a charge of living unlawfully with
five wives.

The complaint was sworn to by a
Mormon deputy sheriff and was
served by the order of a Mormon
sheriff and the committing magistrate
is also a Mormon.

Smith was released immediately
after his arrest and waived prelimi-
nary hearing. After being bound over
he was released on his own recogniz-
ance. Smith reached here two days
ago on his way from Europe. He then
learned that an attempt had been
made to secure his arrest for statu-
tory offenses in connection with the
birth of his forty-third child.

ENTERTAINMENT

ACROSS THE RIVER

Enjoyed By Paducah Business
Men Last Night.

Community of Interests Between Two
Cities Defined By This Social
Visit.

CORDIAL RECEPTION GIVEN.

(Staff Correspondence.)
Elbert Hubbard has delighted
thousands with his "Little Journeys,"
but it may be wondered that the trip
of forty-six Paducah business men to
Metropolis last evening, which Mr.
F. L. Scott arranged, and named a
"Little Journey to Metropolis," long
will remain a subject of fond retrospec-
tion for every man who went.

It was a breezy trip from the time
the steamer George Cowling left the
city wharf at 7 o'clock till it returned
at 11:45. Metropolis met us with
outstretched hands and waved us
adieu when we left. The spirit of
the trip was one of jollity and the
evening was replete with incidents
both amusing and vital.

The vital part was when, after a
speech by Mr. Mark Wyman, chief
engineer of the surveying party of
the New York Central, in which he
said a railroad was assured into Me-
tropolis and across the river into Pa-
ducah under certain conditions.
Judge R. T. Lightfoot who spoke
next, said that a railroad was as-
sured beyond the shadow of a doubt.

The incident of next importance
in an evening filled with snappy ac-
tion, was a little act of spontaneity
and originality by Mr. Frank L.
Scott. At the close of the speaking,
Capt. J. F. McCartney opened the
books of the Metropolis Commercial
club for new members from the citi-
zens present. Eleven responded.
Then Mr. Scott rose and asked per-
mission to have his name enrolled on
the books of the Metropolis Commer-
cial club as a member. It so clearly
was the right thing done at the right
time, that a burst of applause which
exceeded in enthusiasm any before
given, broke forth. Messrs. W. P.
Hummel, W. D. Coons, H. C. Rhodes,
Sol Dreyfuss, Ben Welle, J. W. Wal-
lerstein, L. W. Henneberger, R. T.
Lightfoot and H. A. Petter followed
suit.

But to get back to railroads. In a
quiet and earnest talk, Mr. Wyman
urged co-operation both by Metro-
polis and Paducah toward securing a
railroad, and asserted that the New
York Central would come through
into Paducah provided, not that a
cash bonus was given, but only that
a fair opportunity to get business was
afforded the road when it did get
built. He said the line would come
from Chicago and that it would
cross the Ohio river at some point
between Louisville and Cairo and that
if we desire to have it cross here,
which would suit the company he
represents, we must extend the hand
of equal treatment and make it pos-
sible for them to build the road in a
reasonable cost. For councils to re-
fuse terminal facilities and fran-
chises; for property owners to hold
up the railroad for exorbitant prices
for right of way; and finally, for the
business interests to be indifferent in
giving the new road business; would
inevitably stifle the plans to cross
the river at this point.

Judge Lightfoot in a reminiscent
talk of some length, made the asser-
tion before mentioned, that a trunk
line was coming across at Metro-
polis whether or no. He said that au-
dience was the first party that had
heard him make the assertion.

Capt. J. F. McCartney opened the
meeting and suggested Judge J. C.
Willis as chairman. Mr. Alben Bark-
ley spoke first and dealt with the
value of immigration to us in the
past, and that it would be as valu-
